

Interested in Saving Water?

Join Rain Bird and witness the renovation of a "sprayed" lawn into a "smart" lawn irrigated with XF Sub-surface Dripline

SAVE THE DATE

Come and join us at our special Drip Event to learn about Sub-surface turf irrigation through the NEW Rain Bird XFS Sub-surface Dripline with Copper Shield® Technology.

Friday, March 18th, 2011

From: 11:00 A.M. to 1:00 P.M.

10664 Weatherhill Ct. San Diego, CA 92131

- Product features and benefits
- Live Installation demonstration
- Several guest speakers to discuss design, troubleshooting, maintenance and solutions

Event held at the home of Landscape Architect, Marian Marum, whom has graciously donated her rear yard for this Rain Bird XFS dripline renovation.

Please RSVP to Shawna Harrison
Call: (760) 274-3836 (mobile)
or sharrison@rainbird.com

LUNCH WILL BE PROVIDED

RAIN  BIRD.
