Join the San Diego County Water Authority for
Water Talks: *Investing in Reliability*

Tuesday, May 31, 2011
5 to 7 p.m.

The lives and jobs of more than 3 million San Diego County residents rely on a safe and reliable water supply. Learn more about key water issues, including supply challenges and other factors that drive water rates, the Water Authority's strategy to meet the region's future water demands, and what the Water Authority is doing to protect ratepayers. Join us for an enlightening discussion about how we are managing this most precious resource.

The event is free and open to the public, but space is limited and RSVPs are required.

Visit www.sdcwa.org/water-talks to RSVP by May 26.
